Dear Parents,

It's that time of summer again! We invite all children ages 4 years to 6th grade to participate in a week of fun with worship, singing, games, and crafts. During this week we will guide your children on an safari through the Bible! So grab some friends and we'll see you there!

Lessons include:

- When life is unfair...God is good
- When life is scary...God is good
- When life changes... God is good
 - When life is sad...God is good
 - When life is good...God is good

These five days of discovery not only give kids the knowledge of God's word, but also the opportunity to respond and grow with His word. Not all of the week will be learning, we will also have lots of fun!

****Wednesday is Crazy Hair Day**

One of our most popular recreation activities is our water slide. The grades listed below are based on the grade your child will be going into in the fall. Since we are short on time at our stations, Please have everyone wear their swimsuits under their clothes to VBS on their waterslide day, and everyone should bring a towel and change of clothes. (They get wet & dirty!)

***Here is the schedule for the waterslide:

Mon. - Preschool & Kindergarden
Tues. - 1st & 2nd graders
Wed. - 3rd & 4th graders
Thurs. - 5th & 6th graders
Fri. - All

Friday Family Night Family Picnic: We also invite you to join us for our family event on Friday, **July 12th at 6:30** for a family picnic. We will have a short meeting in the sanctuary then will head outside for the picnic. The kids love this night because they can all use the waterslide! It is a fun time for all!

Invite your friends, family and neighbors to Vacation Bible School. If you have, any questions just call the church office at 330-467-4137 or email us at npcvbs@hotmail.com. If you would like to save time, **pre-register by mailing the enclosed registration form to the Church or emailing the completed form to npcvbs@hotmail.com.**

Can't wait to see you there!

In His Name,

Deana Williams

VBS 2019 Mission Project

Water for Tanzania

One of the things we take for granted the most is clean water. Many countries are not as fortunate as us to have clean water for drinking, cooking and bathing. Every \$10 donation will provide one person with not only clean drinking water but water and sanitation hygiene training.

Although it is not required, we ask that each child raises at least \$5 for this cause. We encourage them to raise the money instead of just being given the funds. There will be a bucket by the registration table for the children to fill. For each \$5 raised they will place their names on a leaf on the tree. There will be a prize for the child who raises the most as well as a random drawing between the other children.

The proceeds will be sent to the Water for Tanzania organization. If you have any questions please contact the church or refer to the packet that will be on the registration table.

Sharing kindness. Bringing hope.
